

## 2006 International Dressage Futurity

### Program Guidelines

#### Competitions

The International Dressage Futurity will be based on the average of the BEST TWO SCORES cores earned in the FEI or USEF 4-year-old test at USDF/USEF recognized dressage competitions. Every IJF and IDF nominated 4 year old horse is eligible for entry. Check the website for a calendar of recognized competitions after November 1: [www.breedersfuturity.com](http://www.breedersfuturity.com)

The 4-year-old test is available online at the FEI website: [http://horsesport.org/D/d\\_05\\_02.html/](http://horsesport.org/D/d_05_02.html/)

#### Four Year Old Dressage Program-open only to IJF and IDF Nominated 4 year olds.

- A horse's participation in other dressage events will not effect his/her eligibility.
- Prize money is generated through the nomination fees from stallions and young horses. Each horse entered in this year's competition will receive prize money based on their score: \$750 for 6.5 to 7.5; \$1,000 for 7.6 to 8.4; and \$1,500 for 8.5 or above. In addition, \$100 will be paid to the original nominator of the horse and \$200 to the stallion nominator for every offspring by the stallion completing the test with a qualifying score of 6.5 or above. Trophies and additional prize money will be given for three categories.

#### IDF Bonus Awards and 5 and 6-Year-Old Programs

All nominated IDF horses are encouraged to enter Young Jumper Championship or Young Dressage Horse Championship competitions. Additional IDF Bonus Prize money will be paid to the top six IDF horses in the Young Dressage Horse Championships.

**NOMINATION FEES:** Note that for 2006 only, 3 and 4-year-old dressage horses may be nominated for the DRESSAGE FUTURITY ONLY for a reduced fee of \$600.

Horses nominated for the reduced fee may not compete in the jumper portion of the futurity or earn bonuses through the Young Jumper Championships. Dressage horses nominated for the full fee as detailed below may compete in either portion of the Futurity. Horses that were previously nominated to the International Jumper Futurity MAY compete in the dressage portion at no additional fee but may not do both disciplines in the same year.
