

COCONUT GROVE

PEDIGREE

Coconut Grove has a strong pedigree to produce jumpers, proven by the fact that his sister Satra, was also a member of the National Show Jumping Team for Colombia. He descends from the Bold Ruler / Damascus cross, prolific jumper lineage, which also produced the legendary GP jumper sire Napur. The influential jumper lines of *Bleinheim, Teddy, Dark Ronald and Hyperion are found in the male side of the pedigree, The notable lines of Tourbillon, Nasrullah and Man O' War are represented in the female side.

PERFORMANCE

Coconut Grove is the **FIRST** Thoroughbred stallion in history to be granted a breeding license by the Am. Hanoverian and Am. Holsteiner associations. It is rare to find a TB stallion with such an impressive Grand Prix Show Jumping career. In addition to winning 3 consecutive Nat'l Show Jumping Champs 1997-99, he was the Best So. American Horse (Team 5th) - 1999 Pan Am games, Ch. - Bolivarianos Games, Res. Ch. - Centro American Games and Ch. - several World Cup Qualifiers. Coconut Grove was equally successfully competing in the US, placing 3rd in the prestigious \$100,000 US

RPSI, CWHBA

Open Jumper Championships and 6th in the WEF Challenge Cup both in 2000. He ranked 3rd - 1999-2000 AGA Rookie of the Year Standings. He qualified for all major show jumping events; the Olympics, World Cup, American Invitational and AGA Championships. In 2005, he was selected for the Hanoverian Jumper Breeding Program. Coconut Grove has proven an ability to jump from difficult distances and clear fences. He is very agile, has abundant scope and his jumping technique is exceptional. He is the **ONLY** world class TB Grand Prix jumping stallion standing in the US.
