PEDIGREE

Riverman's pedigree offers access to many of the top bloodlines successful in international sport.

- HIS SIRE Redfort is by Rebel Z, the full brother to Ratina Z, the 1992 Silver medalist in Show Jumping and the highest ranked mare in the WBFSH International Breeders Guide for 1999/2000.

The influence of Alme (sire of Argentina Z, the dam of Rebel Z) adds an interesting dimension to Riverman's pedigree. Riverman bears the world proven influence of Landego, Calypso II, Landgraf I, and Cor de la Bryere.

Riverman was trained through Grand Prix Dressage. Additionally, he was the Dressage at Devon Breed Show Grand Champion in 1995.
